Our Approach to the **Cambridge Primary** Curriculum: The "Learn for Life" Project

At our school, the Cambridge Primary Curriculum forms the foundation for a balanced and holistic education, fostering the academic, personal, and social development of every child.

This internationally recognised curriculum is enriched by active methodologies, bilingual education, and a student-centred approach, ensuring our pupils acquire the skills and values necessary to thrive in the 21st century.

The "Learn for Life" Project equips students not only for academic success but also for life.

Building 21st Century Skills

Creativity	Critical Thinking	Communication
Collaboration	Character	Meta-Learning

MORE INFORMATION

Bilingual Education

Bilingual education is a cornerstone of our project and is delivered by **native teachers**

Interdisciplinarity and Continuous Feedback

We connect English, Mathematics, and Global Perspectives to promote deeper, transferable understanding.

Assessment Process

Teachers use tools like observations, portfolios, and reports to provide a holistic view of each student's progress.

Active Methodologies in Cambridge Primary

Project-Based Learning (PBL)
Inquiry-Based Learning (IBL)

Incorporating Arts and Assemblies

Drama and Music are integral to Cambridge Primary, fostering creative expression and confidence.
